DIED WITHIN SHORT  
DISTANCE OF HIS HOME.  
Body of Edward Wright, an Aged  
Audrain Citizen Laid For Two  
Days Within Calling Dis-  
tance of His Home—Was  
Prominent Politician.  
Edward Wright, aged about 70  
years, a prominent Audrain county  
farmer was found dead, last Wednes-  
day evening, within a hundred and  
fifty yards of his home. The body  
had been where it was found from Mon-  
day, until late Wednesday afternoon.  
Monday evening Mr. Wright, who  
lives about two miles south of Martins-  
burg, left home and is supposed to  
have fallen and being too weak to arise,  
laid there until he died, which was  
shortly before the body was discovered.  
The body lay within less than 100  
and fifty yards, easy calling distance,  
of the house, where, with his son and  
daughter, he made his home. Deceased  
had been a resident of the county for  
a number of years and was highly  
respected and generally liked. He was  
a prominent politician, and was leader  
of the "Greenback" movement  
here years ago.  
Mexico Schools Open September 11.  
The Mexico public schools will open  
for the coming term, Tuesday, Sept.  
11th. The prospects for a most suc-  
cessful year are never more flattering,  
with an expected record-breaking  
enrollment and a staff of teachers and  
instructors surpassed no where in the  
State. The new principal, Prof. Mark  
Skidmore, is a graduate of the  
State University and comes to Mexico  
with the best of recommendations.  
He served as Superintendent of the  
schools at Billings, Mo., last year and  
was greatly liked by the people of that  
town.  
With the exception of Prof. Skid-  
more, the list of teachers is practi-  
cally the same as last year.  
Miss Kennan Better.  
Miss Carrie Kennan, daughter of  
Hon. W. H. Kennan, who was injured  
late Friday afternoon by being thrown  
from her buggy, is reported much bet-  
ter. Miss Kennan was painfully, but  
not seriously injured.  
Mr. Fred Arnold, of Shanrock, was  
driving with Miss Kennan from Alex-  
ander's home, when two or three  
young men, who live north of Mexico,  
and it is alleged were on a drunken  
 spree and driving fast in order to  
escape the officers, ran into Miss Ken-  
nan's buggy throwing her and Mr.  
Arnold out.  
The proper officers were at once  
investigating the matter. Miss Ken-  
nan's many friends are congratulating  
her on escaping injury as well as she  
did.  
Mrs. Bailey Here.  
Mrs. Alva Bailey, wife of Edmund  
Bailey, who, with her husband, was  
recently acquitted of murder, was in  
this city Tuesday on business. Mrs.  
Bailey has changed a great deal since  
her arrest last fall, and as far as ap-  
pearances go, has changed for the bet-  
ter. She was plainly but neatly at-  
tired in a white dress and in talking,  
said that she and her husband ex-  
pected to remain in Callaway county. She  
went into raptures over Fulton and  
could not speak too highly of Fulton  
people and of her treatment at their  
hands.  
William Howard Jr., Dead.  
William, the sixteen year old son of  
Mr. and Mrs. William Howard, died  
at the home of his parents in East  
Mexico Wednesday, August 22, of  
typhoid fever, after an illness of a  
month.  
The funeral took place from the  
home Friday morning at 9 o'clock con-  
ducted by Rev. A. C. Browning.  
The young man was of strong char-  
acter Christian and had many friends.  
He was a member of the Methodist  
Church and Sunday School and of the  
Y. M. C. A.; also a member of Com-  
pany F, N. G. M.

deed taken a wise step. Mr. Hatcher  
is a man of splendid business qualifi-  
cations and an exceptionally wide ac-  
quaintance and a large circle of friends.  
He has had much experience in hand-  
ling clothing and has a thorough  
knowledge of the line, and will make  
the firm a valuable man.  
Miss Irene Roden.  
Miss Irene Roden, a pretty little  
lady from Mexico, who has been visit-  
ing her aunt Miss Lizzie Plint for  
several days, was hostess to a party of  
young friends yesterday afternoon  
at the Plint home on Concoman

STOCK AND FARM NOTES.  
BUYING SHEEP IN MONTANA.  
National Live Stock Reporter.  
J. T. and W. W. Johnson, of Audrain  
county, Mo., are in Montana for the  
purpose of purchasing in the neigh-  
borhood of 20,000 lambs, which they  
expect to bring home during next  
month. Johnson Bros., and other  
prominent Audrain county stockmen  
will feed these lambs and market  
them during next winter and the  
early part of the spring.  
Last season the Johnson Bros. pur-  
chased 14,000 head of these lambs  
which were fed by the following par-  
ties: W. B. Hopkins, W. H. Johnson,  
Thomas Malone and T. Woods, of  
Adair county, about 500 head each,  
while the other 12,000 head were fed  
by the well known Audrain county  
stockmen: J. W. Dowell, H. T. Spurling,  
Robert Henderson, A. D. Jackson, Jack  
Wooley, A. W. Waggoner, C. W. Lewis,  
G. A. Lewis, W. Wagoner, Taylor  
Berry, J. F. Virgil, J. G. Crawford, Jay  
Yeager, J. T. Johnson and W. W. John-  
son.  
W. B. Hopkins, of Adair county, finally  
purchased the greater portion of these  
lambs and sent them to market.  
Over 11,000 of them were sold on this  
market from \$6.25 to \$7.50, very few sell-  
ing below \$6.50, and most of them be-  
low \$6.75. They were mostly  
marketed in May and June, and the  
feeders, besides getting a good gain in  
weights, secured on an average of six  
pounds pound of wool from each lamb  
that sold at 28 cents per pound, mak-  
ing the wool from each lamb worth  
\$1.68.  
This string of lambs established the  
fact firmly in the minds of these stock-  
men that better results could be ob-  
tained by feeding sheep than any other  
class of stock, and also that better re-  
sults could be obtained upon this mar-  
ket than any other place.  
K. C. Drivers Telegram.  
S. C. Groves and Homer Robinson, of  
Mexico, Mo., bought yesterday two  
car loads each of extra good feeders.  
For several years these two prominent  
cattle feeders have been doing their  
buying on this market.  
G. Berry, an Audrain county stock-  
man, had on the St. Louis market  
22 head of 124-lb steers Monday that  
brought \$5.25.  
H. Geiseler, of Audrain county, mar-  
keted a small lot of 1210-lb steers at  
\$5.50 and 975-lb steers at \$5 at St.  
Louis Friday.  
J. R. Johnson had a load of 232-lb  
hogs that sold at \$5.50 on the St. Louis  
market this week.  
A. T. Hill had a load of good steers  
on the St. Louis market, the 18 head  
averaging 1422 pounds and selling at  
\$5.50 per cwt.  
We have just gotten in some new  
Racine vehicles. They are beautiful  
and we guarantee to stand the test.  
You can't make a mistake if you buy  
one.  
FERRE & CAUTHORN.  
We want your oats and will pay  
highest market price for same.
